

CORAL SKY AVIATION

Official Training Brochure & Course Prospectus

Thank you for your interest in Coral Sky Aviation. We are South Africa's premier SACAA-approved aviation training academy, based at Rand Airport in Germiston, Gauteng.

Our curriculum provides world-class instruction led by active airline captain mentors, helping cadets progress from zero experience to airline-ready commercial pilots.

Available Programmes

Programme	Duration	Qualification	Status
Flight Training (PPL to CPL)	15 Months	SACAA Commercial Pilot Licence	Live Today
Cadet Pilot Programme	Structured Pathway	CPL + IR + Multi-Engine Rating	Enrolling Soon
Cabin Crew Training	3 – 4 Months	Cabin Crew Certificate	Coming Soon
AMO Aircraft Maintenance	Varies by Course	SACAA Maintenance Certification	Coming Soon

Brochure Update Notice

Please note that our official marketing brochure and fee structures are currently being revised to reflect our brand new training simulators, expanded aircraft fleet, and international accommodation blocks.

The complete prospectus will be released ahead of our official launch on **1 September 2026**. Registering your interest now guarantees that you will receive the updated brochure, fee list, and enrollment documents as soon as they are published.
